

**West Sayville Christian School Presents Its
Super Summer of Spiritual Growth 2009
For Grades 5-8**

School is almost out, which means extra free time. We do not want our students to have just an average summer, instead we want to strengthen their spiritual life through our *Super Summer of Spiritual Growth* project. Once again, this project will be conducted in place of our traditional middle school summer reading assignment.

Every student going into grades 5-8 is required to complete the following assignments:

1. Read the Book of James in the New Testament
2. Memorize James 1:19-27
3. Serve for a total of six hours in your church, neighborhood or community.

Once all three assignments are completed, each student must write a 250 word (or more) essay summarizing their service project(s) and how the challenge helped you grow closer to God.

The essays will be due on the first full day of school, Thursday, September 10, 2009. Students must also be prepared to recite their Bible verses on that date. *The assignment as a whole will count as a quiz grade toward the students' first quarter Bible grade.*
